Office of Central Reference (OCR)

TALENT Control Officer:

25X1A

Mr. [   ] has been designated as the OCR TALENT Control Officer and will be responsible to the Assistant Director for Central Reference for the establishment and implementation of a proper TALENT Control System.

TALENT Security Officer:

25X1A

Because the OCR TALENT Control Area will be at the HTAUTOMAT Center, OCR proposes to have Mr. [   ] act as the OCR TALENT Security Officer.

TALENT Control Area:

No TALENT Control Area for OCR outside of the Steuart Building is anticipated at this time.

Utilization of TALENT Materials:

Within OCR the Statistical Branch of the Special Register has been established to provide the following services:

a. Receive, distribute, control and file basic TALENT and related material.

b. Provide rapid information and document retrieval services (MINICARD).

c. Provide photo copies of TALENT material in basic files, rectify oblique graphics to produce high quality copies for photogrammetric use, and provide reproduction services for multiple copy distribution of reports and graphics.

d. Maintain reference material needed to interpret TALENT material.

e. Coordinate and relate TALENT material to the reference resources of the other OCR Registers.

f. Index TALENT reports prepared by other Agencies.

g. Render documentary support to the analytical segments of the TALENT operation.

h. Provide courier and messenger services for the TALENT Center.
